## Samsung - HW-M550 : HW-M550

### Specifications

|                                                                 |                                     |
|-----------------------------------------------------------------|-------------------------------------|
| ENERGY STAR Unique ID:                                          | 2290144                             |
| Brand Name:                                                     | Samsung                             |
| Model Name:                                                     | HW-M550                             |
| Model Number:                                                   | HW-M550                             |
| Product Type:                                                   | Audio Amplifier - Limited Bandwidth |
| Amplifier Channels:                                             | 2.1                                 |
| Video Player Type:                                              | N/A                                 |
| Tuner Included:                                                 | No                                  |
| Connected Technology:                                           | N/A                                 |
| Default Auto Power Down (APD) Timing (min.):                    | 15                                  |
| Energy Use (Idle) (Watts):                                      | 0.0                                 |
| Energy Use (Sleep Mode) (Watts):                                | 0.2                                 |
| Is Amplifier Consumer or Commercial?:                           | Consumer                            |
| Amplifier Input Power at 1/8 Maximum Undistorted Power (Watts): | 22.5                                |
| Amplifier Efficiency %:                                         | 73                                  |
| Date Available On Market:                                       | 2017-02-28                          |
| Markets:                                                        | United States, Canada               |
| ENERGY STAR Certified:                                          | Yes                                 |

### Additional Model Information

HW-M560,HW-M560;; HW-M595,HW-M595;; HW-MM55,HW-MM55;; HW-MM55C,HW-MM55C,
