

## ENERGY STAR CERTIFIED Audio/Video

### Samsung - MX-ST40B : MX-ST40B

#### Specifications

|                                                                 |                                     |
|-----------------------------------------------------------------|-------------------------------------|
| ENERGY STAR Unique ID:                                          | 2391849                             |
| Brand Name:                                                     | Samsung                             |
| Model Name:                                                     | MX-ST40B                            |
| Model Number:                                                   | MX-ST40B                            |
| Product Type:                                                   | Audio Amplifier - Limited Bandwidth |
| Amplifier Channels:                                             | 2.0                                 |
| Video Player Type:                                              | N/A                                 |
| Tuner Included:                                                 | No                                  |
| Connected Technology:                                           | Bluetooth                           |
| Default Auto Power Down (APD) Timing (min.):                    | 20                                  |
| Energy Use (Idle) (Watts):                                      | 0.0                                 |
| Energy Use (Sleep Mode) (Watts):                                | 1.6                                 |
| Is Amplifier Consumer or Commercial?:                           | Consumer                            |
| Amplifier Input Power at 1/8 Maximum Undistorted Power (Watts): | 20.5                                |
| Amplifier Efficiency %:                                         | 64                                  |
| Date Available On Market:                                       | 2022-02-15                          |
| Markets:                                                        | United States, Canada               |
| ENERGY STAR Certified:                                          | Yes                                 |

#### Additional Model Information

MX-B40,MX-B40,Same as basic model except model designation; MX-B4C,MX-B4C,Same as basic model except model designation; MX-ST45B,MX-ST45B,Same as basic model except model designation; MX-ST4CB,MX-ST4CB,Same as basic model except model designation
