

## ENERGY STAR CERTIFIED Ceiling Fans

### Fanimation - ODYN CUSTOM : MAD8152\*

#### Specifications

|                                          |                                                     |
|------------------------------------------|-----------------------------------------------------|
| ENERGY STAR Unique ID:                   | 2369035                                             |
| Brand Name:                              | Fanimation                                          |
| Model Name:                              | ODYN CUSTOM                                         |
| Model Number:                            | MAD8152*                                            |
| Product Type:                            | Standard Fan with Light Kit                         |
| Indoor/Outdoor:                          | Outdoor Ceiling Fan                                 |
| Blade Span (Diameter) (in.):             | 64                                                  |
| Shipped with ENERGY STAR Lamp(s):        | No                                                  |
| Ceiling Fan Efficiency (CFM/W):          | 298.0                                               |
| Fan Power Consumption-Low Speed (W):     | 2.9                                                 |
| Fan Power Consumption-High Speed (W):    | 30.1                                                |
| Fan Power Consumption-Standby (W):       | 1.5                                                 |
| ENERGY STAR Lamp Partner:                | Paragon Semiconductor Lighting Technology Co., Ltd. |
| Total Light Output (lumens):             | 1200                                                |
| Power Factor of Light Kit:               | 0.95                                                |
| Light Color Appearance (CCT):            | 3000K                                               |
| Connected Functionality:                 | No                                                  |
| Total Lighting Input Power (Watts):      | 18.0                                                |
| Light Kit Dimmability:                   | Yes                                                 |
| Light Color Quality (CRI):               | 94                                                  |
| Light Source Rated Life (Hours):         | 36,000                                              |
| Ceiling Fan Features:                    | None                                                |
| Ceiling Fan Components Warranty (Years): | 3                                                   |
| Date Certified:                          | 2020-11-04                                          |
| Markets:                                 | United States                                       |
| ENERGY STAR Certified:                   | Yes                                                 |
| ENERGY STAR Most Efficient:              | No                                                  |

#### Additional Model Information

„(\* stands for 10 variables, each variable may be A through Z, 0 through 9 or blank, that could be numbers for color difference.)
