# Commercial Water Heaters

## HTP - Phoenix Multi-Fit : PHM130-100

### Specifications

|                                   |                       |
|-----------------------------------|-----------------------|
| ENERGY STAR Unique ID:            | 2327841               |
| Brand Name:                       | HTP                   |
| Model Name:                       | Phoenix Multi-Fit     |
| Model Number:                     | PHM130-100            |
| Type:                             | Gas Storage           |
| Fuel Type:                        | Gas,Propane           |
| Vent Type:                        | Direct Vent           |
| Storage Volume (gallons):         | 100                   |
| Tank Height (in.):                | 63.0                  |
| Tank Diameter (in.):              | 27.0                  |
| Height to Vent (in.):             | 18.2                  |
| Vent Size (in.):                  | 2                     |
| Input Rate - Gas-fired (kBtu/hr): | 130.0                 |
| Thermal Efficiency (TE):          | 0.96                  |
| Standby Loss (Btu/hr):            | 422                   |
| Date Available On Market:         | 2014-12-10            |
| Date Certified:                   | 2024-10-28            |
| Markets:                          | United States, Canada |
| ENERGY STAR Certified:            | Yes                   |
