## Commercial Water Heaters

### AMERICAN STANDARD WATER HEATERS - HE-100-199\* : HE-100-199\*

#### Specifications

|                                   |                                 |
|-----------------------------------|---------------------------------|
| ENERGY STAR Unique ID:            | 2405504                         |
| Brand Name:                       | AMERICAN STANDARD WATER HEATERS |
| Model Name:                       | HE-100-199*                     |
| Model Number:                     | HE-100-199*                     |
| Type:                             | Gas Storage                     |
| Fuel Type:                        | Gas,Propane                     |
| Storage Volume (gallons):         | 100                             |
| Tank Height (in.):                | 76.9                            |
| Tank Diameter (in.):              | 28.5                            |
| Height to Vent (in.):             | 9.0                             |
| Vent Size (in.):                  | 3                               |
| Vent Size 2 (in.):                | 2                               |
| Input Rate - Gas-fired (kBtu/hr): | 199.0                           |
| Thermal Efficiency (TE):          | 0.96                            |
| Standby Loss (Btu/hr):            | 568                             |
| Date Available On Market:         | 2021-12-31                      |
| Date Certified:                   | 2024-09-25                      |
| Markets:                          | United States, Canada           |
| ENERGY STAR Certified:            | Yes                             |
