| Model Number:                                                                                                                                                    | CF-54G*****      |
| Type:                                                                                                                                                            | Notebook         |
| Category 1: Processor Brand:                                                                                                                                     | Intel            |
| Category 1: Processor Name:                                                                                                                                      | Core i5,Core i7  |
| Category 1: Base Processor Speed Per Core (GHz):                                                                                                                 | 2.8              |
| Category 1: Physical CPU Cores (count):                                                                                                                          | 2                |
| Category 1: System Memory (GB):                                                                                                                                  | 8                |
| Category 1: Default Low-power Mode:                                                                                                                              | Sleep Mode       |
| Category 1: Long Idle Power Used for Sleep Mode:                                                                                                                 | No               |
| Category 1: Off Mode (watts):                                                                                                                                    | 0.2              |
| Category 1: Sleep Mode (watts):                                                                                                                                  | 0.5              |
| Category 1: Long Idle (watts):                                                                                                                                   | 2.4              |
| Category 1: Short Idle (watts):                                                                                                                                  | 5.3              |
| Category 1: Base TEC Allowance (kWh):                                                                                                                            | 8                |
| Category 1: Functional Adder Allowances (kWh):                                                                                                                   | 12.6             |
| Category 1: TEC of Model (kWh):                                                                                                                                  | 18.0             |
| Notebooks, Desktops, Integrated Computers, Slate/Tablets, Two-in-one Notebooks, and Portable All-in-ones Category for TEC (Typical Energy Consumption) Criteria: | 1                |
| Category 1: Operating System Name:                                                                                                                               | Windows 10       |
| Sleep Mode Default Time Upon Shipment (min.):                                                                                                                    | 20               |
| Display Sleep Mode Default Time Upon Shipment (min.):                                                                                                            | 10               |
| WOL (Wake on LAN) From Sleep:                                                                                                                                    | Shipped Disabled |
| Will the Speed of Any Active 1 GB/s or Higher Ethernet Network Links be Reduced to Less Than 1 GB/s When Transitioning to Sleep or Off Mode?:                    | No               |
| Ethernet Capability:                                                                                                                                             | Yes              |

|                           |                       |
|---------------------------|-----------------------|
| Touch Screen:             | No                    |
| Date Available On Market: | 2018-11-16            |
| Date Certified:           | 2020-02-11            |
| Markets:                  | United States, Canada |
| ENERGY STAR Certified:    | Yes                   |
