## ASUS - PN62S Series : PN62S

## Specifications

|                                                                                                                                                                  |                                    |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------|
| ENERGY STAR Unique ID:                                                                                                                                           | 2356342                            |
| Brand Name:                                                                                                                                                      | ASUS                               |
| Model Name:                                                                                                                                                      | PN62S Series                       |
| Model Number:                                                                                                                                                    | PN62S                              |
| Type:                                                                                                                                                            | Desktop                            |
| Notebooks, Desktops, Integrated Computers, Slate/Tablets, Two-in-one Notebooks, and Portable All-in-ones Category for TEC (Typical Energy Consumption) Criteria: | Desktop I1 or Integrated Desktop 1 |
| Category I1: Processor Brand:                                                                                                                                    | Intel                              |
| Category I1: Processor Name:                                                                                                                                     | Core i7                            |
| Category I1: Operating System Name:                                                                                                                              | Windows 10                         |
| Category I1: Base Processor Speed Per Core (GHz):                                                                                                                | 1.8                                |
| Category I1: System Memory (GB):                                                                                                                                 | 4                                  |
| Category I1: Default Low-power Mode:                                                                                                                             | Sleep Mode                         |
| Category I1: Long Idle Power Used for Sleep Mode:                                                                                                                | No                                 |
| Category I1: Off Mode (watts):                                                                                                                                   | 0.5                                |
| Category I1: Sleep Mode (watts):                                                                                                                                 | 0.5                                |
| Category I1: Long Idle (watts):                                                                                                                                  | 3.5                                |
| Category I1: Short Idle (watts):                                                                                                                                 | 5.3                                |
| Category I1: Base TEC Allowance (kWh):                                                                                                                           | 26                                 |
| Category I1: Functional Adder Allowances (kWh):                                                                                                                  | 2.7                                |
| Category I1: TEC of Model (kWh):                                                                                                                                 | 19.7                               |
| Sleep Mode Default Time Upon Shipment (min.):                                                                                                                    | 30                                 |
| Display Sleep Mode Default Time Upon Shipment (min.):                                                                                                            | 10                                 |
| WOL (Wake on LAN) From Sleep:                                                                                                                                    | Shipped Disabled                   |
| Will the Speed of Any Active 1 GB/s or Higher Ethernet Network Links be Reduced to Less Than 1 GB/s When Transitioning to Sleep or Off Mode?:                    | Yes                                |
| WLAN Capability:                                                                                                                                                 | Yes                                |
| Ethernet Capability:                                                                                                                                             | Yes                                |

|                                          |                                                   |
|------------------------------------------|---------------------------------------------------|
| Bluetooth Capability:                    | Yes                                               |
| Touch Screen:                            | No                                                |
| Date Available On Market:                | 2020-03-16                                        |
| Date Certified:                          | 2020-02-20                                        |
