## Acer - Veriton Z3151G : Veriton Z3151G

## Specifications

|                                                                                                                                                                  |                                    |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------|
| ENERGY STAR Unique ID:                                                                                                                                           | 2365754                            |
| Brand Name:                                                                                                                                                      | Acer                               |
| Model Name:                                                                                                                                                      | Veriton Z3151G                     |
| Model Number:                                                                                                                                                    | Veriton Z3151G                     |
| Type:                                                                                                                                                            | Integrated Desktop                 |
| Notebooks, Desktops, Integrated Computers, Slate/Tablets, Two-in-one Notebooks, and Portable All-in-ones Category for TEC (Typical Energy Consumption) Criteria: | Desktop I2 or Integrated Desktop 2 |
| Category I2: Processor Brand:                                                                                                                                    | Intel                              |
| Category I2: Processor Name:                                                                                                                                     | Core i3                            |
| Category I2: Operating System Name:                                                                                                                              | Windows 10                         |
| Category I2: Physical CPU Cores (count):                                                                                                                         | 2                                  |
| Category I2: Base Processor Speed Per Core (GHz):                                                                                                                | 2.1                                |
| Category I2: System Memory (GB):                                                                                                                                 | 8                                  |
| Category I2: Default Low-power Mode:                                                                                                                             | Sleep Mode                         |
| Category I2: Long Idle Power Used for Sleep Mode:                                                                                                                | No                                 |
| Category I2: Off Mode (watts):                                                                                                                                   | 1.2                                |
| Category I2: Sleep Mode (watts):                                                                                                                                 | 1.7                                |
| Category I2: Long Idle (watts):                                                                                                                                  | 8.3                                |
| Category I2: Short Idle (watts):                                                                                                                                 | 18.6                               |
| Category I2: Base TEC Allowance (kWh):                                                                                                                           | 27                                 |
| Category I2: Functional Adder Allowances (kWh):                                                                                                                  | 40.3                               |
| Category I2: TEC of Model (kWh):                                                                                                                                 | 64.0                               |
| Sleep Mode Default Time Upon Shipment (min.):                                                                                                                    | 30                                 |
| Display Sleep Mode Default Time Upon Shipment (min.):                                                                                                            | 10                                 |
| WOL (Wake on LAN) From Sleep:                                                                                                                                    | Shipped Disabled                   |
| Will the Speed of Any Active 1 GB/s or Higher Ethernet Network Links be Reduced to Less Than 1 GB/s When Transitioning to Sleep or Off Mode?:                    | No                                 |
| WLAN Capability:                                                                                                                                                 | Yes                                |

|                           |                                            |
|---------------------------|--------------------------------------------|
| Ethernet Capability:      | Yes                                        |
| Bluetooth Capability:     | Yes                                        |
| Touch Screen:             | No                                         |
| Date Available On Market: | 2020-08-20                                 |
| Date Certified:           | 2020-09-15                                 |
| Markets:                  | United States, Switzerland, Taiwan, Canada |
| ENERGY STAR Certified:    | Yes                                        |
