

ENERGY STAR CERTIFIED

# Data Center Storage

## Pure Storage - FlashArray//RC20 : FlashArray//RC20

### Specifications

|                                                      |                                                                  |
|------------------------------------------------------|------------------------------------------------------------------|
| ENERGY STAR Unique ID:                               | 4429196                                                          |
| ENERGY STAR Partner:                                 | Pure Storage, Inc.                                               |
| Brand Name:                                          | Pure Storage                                                     |
| Model Name:                                          | FlashArray//RC20                                                 |
| Model Number:                                        | FlashArray//RC20                                                 |
| Storage Model Connectivity:                          | Block I/O                                                        |
| Product Type:                                        | NVSS Disk Set Online 4                                           |
| Storage Controller Configuration:                    | Scale-Up Storage                                                 |
| Storage Controller Advanced Data Recovery Type:      | RAID                                                             |
| Capacity Optimized Method Available (COMs):          | Delta Snapshots,Thin Provisioning,Compression,Data Deduplication |
| Workload Optimization Type:                          | Transaction                                                      |
| Automated Storage Tiering Capable:                   | No                                                               |
| Trans Optimal Point Hot Band Workload Test (IOPS/W): | 128.56                                                           |
| Markets:                                             | United States                                                    |
| ENERGY STAR Certified:                               | Yes                                                              |
