

# ENERGY STAR CERTIFIED Gas Water Heaters

## Kiturami - KGWH-190JFP : KGWH-190JFP

| Specifications                             |                       |
|--------------------------------------------|-----------------------|
| ENERGY STAR Unique ID:                     | 3721946               |
| ENERGY STAR Partner:                       | Kiturami              |
| Brand Name:                                | Kiturami              |
| Model Name:                                | KGWH-190JFP           |
| Model Number:                              | KGWH-190JFP           |
| Connected Capable:                         | No                    |
| Tax Credit Eligible:                       | Yes                   |
| ENERGY STAR Certified:                     | Yes                   |
| Type:                                      | Gas Tankless          |
| Fuel:                                      | Propane               |
| Max. Amps:                                 | 2.0                   |
| Vent Type:                                 | Power Direct Vent     |
| Max. Input Rate for Gas Products (Btu/hr): | 199000                |
| Maximum Gallons Per Minute:                | 5.8                   |
| Draw Pattern (Intended Usage):             | High-Usage            |
| Uniform Energy Factor (UEF):               | 0.96                  |
| Therms/year for Natural Gas:               | 176                   |
| Recovery Efficiency (%):                   | 98.0                  |
| Height to Vent (inches):                   | 31.5                  |
| Vent Size 1 (inches):                      | 2                     |
| Vent Size 2 (inches):                      | 3                     |
| Storage Volume (gallons):                  | 0                     |
| Tank Diameter (inches):                    | 0.0                   |
| Tank Height (inches):                      | 0.0                   |
| Water Heater Depth (inches):               | 14.8                  |
| Water Heater Height (inches):              | 27.6                  |
| Water Heater Width (inches):               | 17.3                  |
| Date Certified:                            | 2024-10-28            |
| Markets:                                   | United States, Canada |
