

ENERGY STAR CERTIFIED

# Gas Water Heaters

## Radiant - SFK 55 : SFK 55

### Specifications

|  |                           |
|--|---------------------------|
| ENERGY STAR Unique ID:                     | 4016237                   |
| ENERGY STAR Partner:                       | Radiant Bruciatori S.P.A. |
| Brand Name:                                | Radiant                   |
| Model Name:                                | SFK 55                    |
| Model Number:                              | SFK 55                    |
| Connected Capable:                         | No                        |
| Tax Credit Eligible:                       | Yes                       |
| ENERGY STAR Certified:                     | Yes                       |
| Type:                                      | Gas Tankless              |
| Fuel:                                      | Natural Gas               |
| Max. Amps:                                 | 1.8                       |
| Vent Type:                                 | Power Vent                |
| Max. Input Rate for Gas Products (Btu/hr): | 187667000                 |
| Maximum Gallons Per Minute:                | 5.5                       |
| Draw Pattern (Intended Usage):             | High-Usage                |
| Uniform Energy Factor (UEF):               | 0.95                      |
| Therms/year for Natural Gas:               | 178                       |
| Recovery Efficiency (%):                   | 98.0                      |
| Vent Size 1 (inches):                      | 3                         |
| Date Certified:                            | 2025-04-23                |
| Markets:                                   | Canada                    |
