

ENERGY STAR CERTIFIED

# Lab Grade Refrigerators and Freezers

## DAI Scientific Equipment - PH-DAI-NSF-S23G : PH-DAI-NSF-S23G

| Specifications                                                  |                               |
|-----------------------------------------------------------------|-------------------------------|
| ENERGY STAR Unique ID:                                          | 2732411                       |
| ENERGY STAR Partner:                                            | Standex Scientific Solutions  |
| Brand Name:                                                     | DAI Scientific Equipment      |
| Model Name:                                                     | PH-DAI-NSF-S23G               |
| Model Number:                                                   | PH-DAI-NSF-S23G               |
| Product Type:                                                   | High Performance Refrigerator |
| Total Volume (cu. ft.):                                         | 18.0                          |
| Lab Grade Refrigerator or Freezer Energy Consumption (kWh/day): | 1.32                          |
| Peak Temperature Variance (°C):                                 | 4.3                           |
| Product Form Factor:                                            | Upright                       |
| Total Number of Doors:                                          | 1                             |
| Number of glass doors:                                          | 1                             |
| Number of solid doors:                                          | 0                             |
| Door Opening Orientation:                                       | Swinging                      |
| Number of Drawers or Shelves:                                   | 3                             |
| Number of Internal Ports and/or Access Holes:                   | 1                             |
| Depth (in):                                                     | 34.0                          |
| Height:                                                         | 78.0                          |
| Width:                                                          | 27.0                          |
| Defrost Type:                                                   | Automatic                     |
| Refrigerant with GWP:                                           | R-290 (GWP:3   Lower GWP)     |
| Installed Accessories:                                          | Yes                           |
| Date Available on Market:                                       | 2020-06-01                    |
