

ENERGY STAR CERTIFIED

# Large Network Equipment

## Extreme - Universal Edge Switch Platform : 5420F-24P-4XE

### Specifications

|                                                       |                                |
|-------------------------------------------------------|--------------------------------|
| ENERGY STAR Unique ID:                                | 4016412                        |
| Brand Name:                                           | Extreme                        |
| Model Name:                                           | Universal Edge Switch Platform |
| Model Number:                                         | 5420F-24P-4XE                  |
| Product Type:                                         | Switch                         |
| Product Classification:                               | Fixed                          |
| Product Characteristics:                              | Stackable,Processor Managed    |
| Typ Power Config Number of Downlink Ports:            | 24                             |
| Typ Power Config Speed of Downlink Ports:             | 1                              |
| Typ Power Config Downlink Port Type:                  | LAN                            |
| Typ Power Config Number of Uplink Ports:              | 6                              |
| Typ Power Config Speed of Uplink Ports:               | 10                             |
| Typ Power Config Uplink Port Type:                    | SFP                            |
| Typ Power Config Total Number of PoE Ports Supported: | 24                             |
| Typ Power Config Max Total PoE Power Supported (W):   | 720                            |
| Markets:                                              | United States, Canada          |
| ENERGY STAR Certified:                                | Yes                            |
